Our continuing goal: striving for excellence

ALMA MATER

In the hearts of all the students  
who attend these hallowed halls  
There are thoughts of sweet devotion  
as our memories recall  
All the moments spent together  
through each glorious happy year;  
So we sing to Alma Mater,  
and her name we will revere.

You have taught us to be sportsmen  
on the fields of friendly strife;  
You have taught us rules of conduct  
as we play the game of life.  
May we ever heed your teachings;  
true and faithful may we be  
As we pledge thee our allegiance:  
APOPKA HIGH SCHOOL, HAIL TO THEE!

Dear Parents and Friends,

This past year has included many activities which will soon be happy memories. These activities varied from the informal to the formal, and as we approach Graduation, we are increasingly aware of the significance of this event. The graduation ceremony is indeed the culmination of our senior activities, and we have been advised by the faculty and administration of the dignity and formality that Commencement signifies. Eager for our Graduation to be as perfect as possible, we respectfully request that all our guests cooperate with us.

Please remain completely silent during the announcement of our names so that all parents and guests hear our names being called. We truly feel that the silence is impressive and is the keystone to the formality of the occasion. We further ask that all remain seated until the recessional has ended.

At this important time in our lives, we are most grateful to our parents and friends who have remembered and supported us in our endeavors. Please allow us one added consideration. Honor us at Commencement with your presence, your tasteful participation, your continued support, and the assurance that you will join in making Graduation 1987 a dignified, formal occasion.

With love and appreciation,

The Class of 1987
